**Affiliated Power Purchasers International**

The APPI Savings Solution Program assists NAFCD members in reducing electricity and natural gas costs by identifying, analyzing, negotiating, and structuring individual supply contracts.

**American Profit Recovery**

American Profit Recovery (APR) is a collection agency with offices in Massachusetts, Michigan and North Carolina. APR works hard to preserve the relationship between client and consumer with an ultimate goal of keeping the business relationship intact. APR's flat fee program (no more than \$20 per account regardless of balance) can dramatically reduce the number of accounts distributors will have to pay a traditional contingency collection agency or attorney. The firm serves approximately 3500 clients nationwide.

To sign up, call 800-711-0023.

**FedEx Office**

NAFCD members can receive up to 70% off products and services at more than 1,400 U.S. FedEx Office locations. Members, active your discount card today!

**LifeLock**

It is far easier and less costly to prevent identity theft than dealing with the aftermath. LifeLock has pioneered preventing identity theft and even backs it up with a \$1 million dollar guarantee. Identity theft protection from LifeLock is now available through NAFCD at a discount.

**YRC**
